

# I World Congress of Vibroacoustic Therapy

*“Acoustic Vibrations in Therapy”*

*23rd - 25th April 2008 - Vrbovec, CROATIA*

It is our great honor to invite you to the I World Congress of Vibroacoustic Therapy “Acoustic Vibrations in Therapy” that will be held from 23rd - 25th of April 2008 in Vrbovec, near Zagreb.

The Congress is organized in cooperation with the Center for Rehabilitation “Stančić” and Center for Rehabilitation “Little House” under high auspices of the Ministry of Health and Social Services of the Republic of Croatia and with scientific support of the MULTIVIB.

This Congress is an important opportunity for prominent experts from abroad and from Croatia to present their newest achievements in the field of vibroacoustic therapy and it will help to all of us to improve our work and gain insight into latest knowledge in this field.

Your participation at the conference as a participant or as a speaker is of great importance for us and will most certainly contribute to the success of this international congress.
